### **SPENDING MONEY and IDENTIFICATION CARD**

It is recommended that you take most of your money in travellers' checks or use an ATM card.

You will need to purchase a few meals during the trip--15 or so. Plan on \$150 or so for meals and some extra for spending money. You will need to purchase water or other beverages between meals and money for souvenirs, gifts.

Some singers will need more than others for shopping!

Some singers have used ATM cards in the past--parents will need to set it up for your singer. Singers must remember the PIN! and must remember NOT to write the PIN on the card or have it anywhere in your wallet.

It's also a good idea to keep money, travellers' checks, identification cards, ATM cards in a small pouch to be held close to your body.

Singers will need a picture ID card--driver's license, passport or state-issued personal ID card.
